

From The People Who Brought You Iraq....Comes Iran

“The Iranian regime needs to know that if it stays on its present course, the international community is prepared to impose serious consequences. The United States joins other nations in sending a clear message - - We will not allow Iran to have a nuclear weapon. (Applause.)”

-Vice President Richard Cheney, October 21, 2007

“If you're interested in avoiding World War III, it seems like you ought to be interested in preventing them [Iran] from having knowledge necessary to make a nuclear weapon. And I take this very -- I take the threat of Iran with a nuclear weapon very seriously.”

-- President Bush, October 18, 2007

“I think it's very important for us to pursue our objectives diplomatically. I also know it's important for all options to remain on the table, and they are on the table.”

-President Bush, November 20, 2007
